HELP US TO TRANSFORM THE YARD!

During summer 2020 we will undertake The Courtyard Capital Expansion Project, part-funded by a grant from Arts Council England and supported by Herefordshire Council. Transform The Yard is an exciting project that will set the stage for the future. Transforming our much-loved venue and improving customer experience, increasing accessibility and enabling us to reach even more people with our community work. We have achieved some of the funding, but need to raise a further £700,000 to complete the work, with an additional £200,000 for fitting out. So help us to ensure that The Courtyard continues to be a place for arts, entertainment, community and friends for generations to come.

I wish to make an additional donation to support Transform The Yard
