Washing & Drying facilities available and may be subject to a charge of £2.50 +VAT per load.

Vehicle Parking Parking available on site. We now have number plate recognition. All vehicle number plates must be registered with Box Office on arrival for the duration of your visit. Please check the numbers / letters are correct as incorrect registration may result in a fixed penalty notice for which The Courtyard accepts no responsibility. If you are parking out of a bay – for example on yellow hatch markings by dock door – you will require a laminated visitor pass as well – to be provided by the Duty Technician.

Safety

All sets used at The Courtyard must be either class 1 or fireproofed with a recognised brand of flame retardant. The Courtyard reserves the right if necessary to refuse any item if we feel any Health and Safety regulations have been compromised.

All flying at the Courtyard must be carried out by a member of The Courtyards Technical Team; The Courtyard may also permit a suitably qualified technician to operate the flying system at the discretion and supervision of the duty technician.

All electrical equipment bought into the theatre must have a valid PAT sticker on it. Any equipment not compliant will be checked by a member of the courtyard at a rate of £4.00 per item, the cost of any subsequent repairs will be passed to the visiting company.

All risk assessments must be made available to the courtyard upon arrival so copies can be made and kept by ourselves.

Staffing

Get In & Fit Up

The Courtyard will provide for the get in (excluding exceptional loads and heavy mechanical equipment) up to a maximum of 2 persons and 8 single hours.

If the get in takes place on a Sunday, each hour worked will count as time and a half. Bank holiday, each hour worked shall count as two hours single time.

Normal get in hours are 9am – 1pm & 2pm – 6pm, any hours outside these times may be charged to the contra account unless otherwise agreed by the resident manager.

The Courtyard reserves the right to determine the maximum number of staff and hours necessary for a safe and efficient get in.

The visiting company shall be charged for all persons in excess of 2 and for all hours in excess of 8 single time hours.

Show Call

The Courtyard will provide 2 resident performance staff. These persons are available 1 hour 30 minutes prior to and 3 hours 30 minutes from the advertised performance start time. During the performance one technician shall be acting as Duty Safety Officer, located on stage, and therefore must be free to deal with emergency situations and so is not available for show work. The second technician available can be used by the company as a Sound or Lighting Operator. The visiting company shall be charged via the contra account for all additional hours and staff deemed necessary.

Get Out

Two technicians shall be provided for **one single hour from curtain down**. Larger performances who's get out exceeds 1 hour or have a specific lighting rig (requiring a re-rig) shall be charged at an hourly rate of 1.5 times per hour per person for a minimum of two people and four hours, currently £192.84 +VAT.

Shows that have a 38' – 50' trailer are chargeable per person per trailer at £73.30 +VAT

The above applies to shows contracted with The Courtyard and Production Company.

Please be aware that additional staffing and equipment charges may apply to hirers of the venue, please get in touch to discuss.
